

## EQUITY BY DESIGN 2015

### DIGITAL MEDIA & LEARNING EDUCATOR WORKSHOPS

An event for educators to learn about successful connected learning programs in schools, libraries and other spaces; equity in educational technology; and design of new curriculum.

#### MORE THAN 20 WORKSHOPS

- Learn how to use Minecraft to teach classroom and after-school lessons
- Explore digital storytelling to communicate experiences of underrepresented students
- Discover how millennials are remixing tech innovation
- Empower students and teachers to be agents of change
- Make LED light-up books
- Develop transmedia projects
- Dance hip-hop and code

And much more!
